Filmmaker and journalist Roshan Muhammed Salih has previously worked as Head of News at Islam Channel and Head of News, London at Press TV. Now an independent documentary maker, he is also the editor at 5pillarz.com. His work focuses mostly on the global affairs of Muslims with attention to British Muslims and their trials and tribulations.

### **TRAVELLING WHILE MUSLIM**

Schedule 7 - a terrorism law - gives the police the right to stop and search people at airports, to fingerprint them and take their DNA, and to hold them for up to 9 hours without legal representation. The government says that Schedule 7 is one of the powers in their arsenal to confront the terrorism threat to mainland Britain. What is Schedule 7? How does it affect Muslims and other ethnic minorities? And is it both racist and Islamophobic?
