### Make a Donation

#### Thank You!

You have indicated that you would like to make a donation to **IDF Widows**.

Please read the following carefully:

We do not have a facility for anonymous donations and your details will therefore be passed on to the charity to which you have donated, so that they can thank you personally when they receive notice that the funds have been transferred. Funds are transferred at the end of each monthly cycle, so it may be a few weeks until you hear back from the charity.

If you are a UK taxpayer, you can increase the value of your donation at no extra cost to you. Thanks to the Government's Gift Aid Scheme, UKT - as a registered UK charity - will be able to claim back 25p for every £1 you donate, to help towards the costs of processing your donation via credit card and PayPal. All you have to do is indicate your permission by ticking the box below.

☐ **Please reclaim tax.** (Tick the box to give consent).

I am a UK taxpayer and would like to have Gift Aid claimed on this and all future donations until I notify you otherwise. I understand that I must have paid an amount in income/capital gains tax at least equal to the amount donated in the appropriate tax year (6 April one year to 5 April the next).

Online donations via [jewishcharityguide.co.uk](http://jewishcharityguide.co.uk) are processed securely by UK Torem Ltd (UK Registered Charity No.1140972), who will forward it to the charity on your behalf at the end of each monthly cycle. PayPal, the world's most secure processor of online transactions, will process your donation either by credit card or through your PayPal account.

Declaring your consent to GiftAid ensures that no extra processing fee will be charged to the charity on the donation you make. If you are unable to authorise a claim for Gift Aid, a 5% fee will be extracted, to cover processing costs incurred by UKTorem. If you prefer not to use this method of payment you are, of course, welcome to contact the charity direct by clicking on their dedicated website where available.

IDF Widows & Orphans Fund | Yashar LaChayal

## IDF Widows & Orphans Fund

For many of Israel's widows and orphans, the pain of their loss is compounded by the daily struggle to simply keep a roof over their heads. Though the primary breadwinner is gone, bills still come and rent is still demanded. Lives that have been broken take time to put back together, but when survival is a daily struggle, healing is an impossible task.

With that horrible knock on the door, the world collapses around the new widows and orphans, who then need to gather all their strength to go on living.

The organization's goal is to provide social, emotional and financial

support to widows and orphans who have suffered the greatest loss.

As part of the Yashar LaChayal Widow and Orphan fund we provide:

- \* College scholarships
- \* Recreation/Fun days
- \* Financial assistance for special events (wedding, Bar Mitzvah, etc.)
- \* Funding for after school activities
- \* Financial assistance for monthly expenses
- \* Funding for emotional support (psychologists, social workers)
- \* Funding for private lessons for children in school

By doing so we hope to ease their struggle and provide them the time they  
need to heal and adjust to a new way of life.

## History

From its inception in July, 2006, during the height of the Second Lebanon War, **Yashar LaChayal** has been providing for the basic needs of Israeli soldiers. During the war, the Moskowitz family of Miami Beach and a small group of volunteers worked together to purchase, collect and package much-needed supplies (basic toiletries, sunscreen, towels, undergarments and other necessities), and transported them directly to the soldiers on the front. On occasion, the volunteers themselves had to take shelter as katyusha rockets rained down. They drove far north, beyond the last civilian, to deliver supplies to the soldiers who were mobilized hastily and were running low on essentials. These volunteers met IDF units about to enter Lebanon, and sent additional supplies to soldiers deep in Lebanon.

This project, called *Operation Northern Points* by the volunteers, is documented by the photos below, taken from the car and near the front as the supplies were transported and delivered.

Operation Northern Points was made possible by the initial donation of the Moskowitz family who wrote that, "Our hearts and souls are with you" and looked to find a way to help the soldiers who risked their lives daily to defend Israel.

When the war ended, the volunteers continued to receive requests for supplies from army commanders. In response to this need, **Yashar LaChayal** was established as a recognized non-profit organization in Israel and the United States, dedicated to helping Israeli soldiers serving on the front lines and making them more comfortable while they are protecting the Jewish homeland.

**Yashar LaChayal** is unique in many ways. First, as a result of annual support from a donor family that funds operational and administrative costs, all funds raised through other sources are used to benefit the soldiers. Second, since its inception, strong relationships have developed between the director of <https://www.yasharlachayal.org/history/>

History | Yashar LaChayal

**Yashar LaChayal** and army officials, enabling us to properly assess the needs of our soldiers and to fulfill them. Finally, **Yashar LaChayal** – Straight to the Soldier – means exactly that: we bring the goods to the army bases and speak directly with the soldiers, reminding them that we stand with them and that they have a huge wall of international Jewish support behind them.

Combat soldiers, the soldiers serving on the front lines to ensure Israel's security, are the primary focus of **Yashar LaChayal's** services. We reach out regularly to units in the north, on the borders of Lebanon and Syria, those serving in the south on the Egyptian border, to soldiers on our border with Gaza, and to the Special Forces – the elite units charged with tasks critical to our national security.

21 ways to help Israel

Israel is at war, and over the last few weeks, I have received requests from across the Globe from friends, family, friends of friends and friends of family, asking me if I know any ways that they can help Israel in her time of need. There are so many ways to help, and particularly for those not in Israel and who are therefore not able to send physical items through local collections, here are some reputable websites through which you can donate:

1. <http://www.dkaton.co.il/under>  
Care packages for soldiers, sending underwear and other essentials. Also using stores in the South to support their businesses in this difficult time.
2. [Ben Goldstein](#) PayPal ID: [Matman1@yahoo.com](mailto:Matman1@yahoo.com)  
Ben is going regularly to the soldiers, delivering whatever they request. High up on the list is usually deodorant, shaving equipment, underwear and cold drinks. At the moment he is not a registered charity, but if you look him up on Facebook you can see what he is doing. He has supplied to a number of bases, including the base where one of my neighbours is serving.
3. <http://www.oneisraelfund.org/projects/new/>  
One Israel Fund is providing security and medical equipment to Southern communities. They have helped prevent terrorist attacks and infiltrations, some of which you may have read about over the last few weeks.

Stay accurately informed by following reputable people on Facebook and Twitter, such as StandWithUs, The Mugata, Ahim Daron, Lahav Harikov, Israel News Feed, Michael Dickson, IDF Spokesperson, Avi Mayer, Ofir Gendelman and Peter Lemer. Be careful. Only post links and news items from reputable sites. Don't spread information that has not been confirmed by Israel.
20. <http://honestreporting.com/>  
Don't let inaccurate reporting go unreported. Write to your local members of government, and write to the press to bring media bias to task.

21. If anyone has a holiday home that they would be willing to open up to residents of the South, please contact [naomifeinmesse@gmail.com](mailto:naomifeinmesse@gmail.com)

Please note, before you send food or pizza to places, it is worth checking if it is needed or even wanted. I have been in touch with a number of bases that are overflowing with unwanted toiletries and junk food. Some bases, on the other hand, are far out and would really appreciate some decent food and some cans of deodorant! If you are sending food, please don't send fresh goods that spoil, or chocolate that melts. High on the food request list are energy bars, dried fruit and black coffee, but a lot of soldiers would prefer fresh underwear, socks, towels, undershirts (black or olive colored), toothpaste, toothbrushes, shaving cream, razors, deodorant, wipes and mosquito repellent.

Thank you, and may all of our soldiers come home to us speedily, safely, and having completed their mission.
